It could not have been a more perfect day, weather wise, at Meyers, CA up by South Lake Tahoe.

The mail arrived 2 hours late to Stateline, but Doc Wiser, first California rider out, made up 10 minutes, Stephanie Veteran, second rider, also made up at least 5 more minutes. Photos (by Frank Verardi) show Stephanie coming in, and Meg Verardi heading out. Meg also shaved almost 5 minutes off her ride.

All of this is why we love the ride and what brings us back each year!
