

PRESS RELEASE

Pony Express Rider Returns to Sportsman's Hall!

The historic Sportsman's Hall in Camino, California will again welcome the courageous Pony Express Riders who so daringly gave their lives to get the mail there (anywhere & everywhere) on time! This will mark the 150th anniversary of the brief, but internationally significant, event in the US and abroad. CEDAPP will sponsor a full swing celebration to mark the special night, June 7th, from 6 PM to 10 at Sportsman's. The Pony Rider will arrive at 9:00 PM and will stop for a brief visit. Walt Harmon, owner of the property, will be rustling up some 1850s grub for young'uns and old folk alike at a ridiculously low cost. Blue Steal Band will entertain; children will be engaged in many historical, educational, and fun activities; and there will be some lucky young'uns who will receive cash prizes for their winning entries in an art, poetry, and speech contest. Supervisor Ray Nutting will be on hand to welcome the Rider, thereby sealing yet another piece of historical heritage for the old Cedar Grove transcontinental mail system and the Sportsman's Hall! For more information, call Jeanne Harper @ (520) 613-1332.
