

Non-camera/lens/flash items we carry in our camera bags.

Besides some of the standard must have items such as lens cleaning materials, spare batteries and memory cards, and filters, other items included camera manual, hat, kneeling pad, remote control, Expo Disc, ccd cleaner, plastic bag, sun screen, map, note pad and pen, and "Bert's Cheat Sheets." An important list of items made up a personal safety equipment kit: matches, first aid equipment, whistle, multi-tool, water, flash light, radio, and air horn.
